BOIL WATER NOTICE

Boil Your Water Before Drinking or Food Preparation to Avoid Illness

Due to the recent [water main break just below Skyview court and on-going leak by the bottom Skyview Terrace which required immediate shut down](#), which occurred on 12/3/2019, the State Water Resources Control Board, Division of Drinking Water and the [Villa Del Monte Mutual Water System](#) are advising residents of [Villa Del Monte Mutual Water Company in Los Gatos](#) to only use boiled tap water or bottled water for drinking and cooking purposes as a safety precaution to avoid stomach or intestinal illness. The affected area includes: [Deerfield Court](#), [West Lower Skyview Terrace](#), [Cove Lane](#), [Lower Skyview Terrace](#), [between Skyview Court and Treeview Trail](#).

We will inform you when tests show that water is safe to drink and you no longer need to boil your water. We anticipate restoring water service on 12/3 or 12/4/2019. If not, we will post updates to the <https://www.vdmwater.com/>

If you have questions about other uses of tap water, such as bathing and dish washing, please call your water system or read this guidance: <https://www.cdc.gov/healthywater/emergency/dwa-comm-toolbox/before/tools/What-to-Do-During-a-Boil-Water-Advisory.docx>

Do not drink the water without boiling it first

- Boil all water for one (1) minute (rolling boil).
- Let water cool before drinking.
- Use boiled or bottled water for drinking, brushing teeth, and food preparation until further notice.
- Boiling water kills bacteria and other organisms in the water.

If you are unable to boil your water:

Household unscented liquid bleach

- For clear water, use 8 drops (1/8 tspn.) of bleach for 1 gallon of water. For cloudy water, filter through a clean cloth and use 16 drops (1/4 tspn.) of bleach for 1 gallon of water.
- Mix well. Allow to stand for 30 minutes before using.
- Water may taste or smell like chlorine. This means disinfection has occurred.

Water disinfection tablets

- Please follow the manufacturer's instructions.

If you are concerned about your health or the health of a family member, contact your health care provider.

For more information, call:
